

## VISAGE SURGERY CENTER

*Oral & Maxillofacial Surgery  
Facial Cosmetic Surgery*

---

FAISAL A. QUERESHY, MD, DDS, FACS, INC.  
BOARD CERTIFIED • MEDICAL DIRECTOR

### Insurance Information

At Visage we strive to give the best of customer service. Therefore, it is our pleasure to call your insurance company in advance of any procedure you may wish to have done. At that time we will create an estimate for you based on the benefits provided to us from your insurance representative.

Dr. Quereshy is a nonparticipating provider, however, we do find in many instances that the rate of your benefit may not differ from a participating provider. We find this especially true when a dental plan is the elected carrier. With all of our patients', we work with both their medical and dental plan in hopes of creating an estimate to satisfy the uniqueness of each case.
